

# EPOS AMPLIFY Partner Program

Join the EPOS Partner Program that helps you AMPLIFY your sales.

### Your success is our success

Partnering with EPOS means that we are in it together for a win-win solution. We want you to succeed so we can succeed. Designed to recognize, measure, and reward partners based on behaviors and performance, the program provides flexibility in how you attain a Silver, Gold, or Platinum tier level. The EPOS AMPLIFY program delivers a range of benefits to help you achieve your business goals and ultimately recognizes enhanced return on your investment in EPOS. You are rewarded

based on your engagement with EPOS and your revenue. As your business grows and you progress through the program, the associated benefits increase as well.

### Grow your business with EPOS AMPLIFY

EPOS AMPLIFY helps you accelerate growth by providing ongoing training and sales and marketing support. Generate new opportunities and improve your know-how with training for all salespeople, product managers and marketing managers in your organization.
